RECOMMENDATION SYSTEM

SSIF IEBA TRUST uses a Relative recommendation system. Such system indicates that each stock is rated on a basis of the excess return, measured by the relative value of the target (calculated) price and the current price, over a 12 months period of time.

The range of recommendations for each stock consists of 4 elements: Buy (B), Accumulate (A), Hold (H), Reduce (R).

SSIF IEBA TRUST RATINGS

BUY	The stock is expected to generate potential excess return over 15%
ACCUMULATE	The stock is expected to generate potential excess return of 5 to 15%
HOLD	The stock is expected to generate potential excess return of -5% to 5%
REDUCE	The stock is expected to generate potential excess return below -5%

Excess return: Target price/current price - 1

For the cases of Initial Public Offering, the above-mentioned recommendation system is not applied. In such cases, the recommendation is based on the comparison between the price of the Offering, and the fair value estimated by SSIF IEBA TRUST.

Measures Definitions

IEBA Net Income	Net Income adjusted for one-off items

The information, tools, and materials presented in this report are provided to you for information purposes only and are not to be used or considered as an offer, the solicitation of an offer or suggestion to act upon the information presented, nor as grounds for an investment decision. Any other information not included in this material shall be provided to the beneficiary solely upon his request. SSIF IEBA TRUST SA will not treat recipients of this report as its customers by virtue of their receiving this report. The investments and services contained or referred to in this report may not be suitable for you, and it is recommended that you consult an investment advisor or lawyer if you are in doubt about such investments or services. Nothing in this report constitutes investment, service, legal, accounting, or tax advice, or a representation that any investment or strategy is suitable or appropriate to your individual circumstances, or otherwise constitutes a personal recommendation to you. SSIF IEBA TRUST SA does not advise on the tax consequences of investments or services, and you are advised to contact an independent tax adviser. Please note in particular that the bases and levels of taxation may change.

Information and opinions presented in this report have been obtained or derived from sources believed by SSIF IEBA TRUST SA to be reliable, but SSIF IEBA TRUST SA makes no representation as to their accuracy or completeness. The information, opinions and estimations presented in this material reflect the situation at the time of their drafting and can be changed without previous notice. SSIF IEBA TRUST SA accepts no liability for loss arising from the use of the material presented in this report, except that this exclusion of liability does not apply to the extent that such liability arises under specific statutes or regulations applicable to SSIF IEBA TRUST SA. The report was drafted without taking into consideration the financial situation and investment objectives of the beneficiary and is not meant to influence in any and all ways his/her investing decisions. The opinions and proposals presented within the material may be unsuitable to the beneficiary, depending upon the objectives, risk tolerance and financial situation of the beneficiary. This report is not to be relied upon in substitution for the exercise of independent judgment. SSIF IEBA TRUST SA may have issued, or may in the future issue, other reports that are inconsistent with, and reach different conclusions from, the information presented in this report. Those reports reflect the different assumptions, views, and analytical methods of the analysts who prepared them, and SSIF IEBA TRUST SA is under no obligation to ensure that such other reports are brought to the attention of any recipient of this report. SSIF IEBA TRUST SA holds no obligation in updating the material.

SSIF IEBA TRUST SA may, to the extent permitted by law, act upon or use the information or opinions presented herein, or the research or analysis on which they are based, before the material is published. Additional information is, subject to duties of confidentiality, available upon request. Some investments or services referred to in this report will be offered solely by a single entity and in the case of some investments or services, solely by SSIF IEBA TRUST SA or its affiliates. SSIF IEBA TRUST SA may as well participate, invest, effect trades or other operations with the issuers whose securities are the subject of the material.

Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied, is made regarding future performance. Certain investments discussed in this report may have a high degree of volatility and may experience sudden and large falls in their value, causing losses when that investment is realized. Income yields from investments may fluctuate as well due to variation of the interest rate, foreign exchange rate, changes in the financials or operational circumstances of the companies and due to other microeconomic or macroeconomic factors. Information, opinions, and estimates contained in this report reflect a judgment at its original date of publication by SSIF IEBA TRUST and are subject to change without notice.

This report may provide the addresses of, or contain hyperlinks to websites. Except to the extent to which the report refers to SSIF IEBA TRUST SA own website material, SSIF IEBA TRUST SA has not reviewed any such site and takes no responsibility for the content contained therein. Such address or hyperlink (including addresses or hyperlinks to SSIF IEBA TRUST's own website material) is provided solely for your convenience and information, and the content of any such website does not in any way form part of this document. Accessing such website or following such link through this report or SSIF IEBA TRUST's website shall be at your own risk.
